

**NEW HEAD OFFICE BUILDING**  
APPLECROSS, WA

**CLIENT:**  
BLUE ANCHOR  
PTY LTD

**PROJECT VALUE:**  
\$2.8M

**DURATION:**  
NOV 2001 -  
SEPT 2002

In 2001 Kerman Contracting Limited (KCL) commenced the design and construction of a new two level office building to serve as the headquarters for KCL.

The design incorporated significant use of exposed steelwork and pre-cast concrete elements to highlight the type of materials synonymous with Kerman projects.

The building was awarded two Royal Australian Institute of Architects W.A. Division in 2003 being the Commercial Building Design and the Commercial Building Interior.
