**CLIENT:**  
AUSTRALASIAN  
LUPIN PROCESSING  
PTY LTD (ALP)  
A 50 / 50 Joint Venture  
between Co-operative  
Bulk Handling Limited  
and Georle Weston  
Foods

**PROJECT VALUE:**  
\$5.8M

**DURATION:**  
JAN 2006 -  
SEPT 2006

Construction of a five level building to house lupin processing equipment. The building utilises a steel frame with bondek floors and precast concrete external wall panels.

Construction also includes a truck outloading facility complete with feed conveyors, container conveyors and a meal storage bin.
